

TECHNICAL INFORMATION

ATLANTIC

ATLANTIC

Strong, sleek and sophisticated; **ATLANTIC** is tough yet polished, making it suitable for environments that require both durability and style.

- Solid Grade Laminate (SGL)
- Suitable for wet and dry environments
- Heavy duty stainless steel fittings for high traffic areas
- Made to measure
- Also available in Compact Density Fibreboard (CDF)
- Available in an increased height configuration (see Atlantic +)
- Wide colour choice
- Brushed Satin Stainless Steel fittings as standard
